ndis

A safe and meaningful environment suitable for children and adults with disabilities

About

PAHS Short-Term Accommodation (STA) can be used: for just one night; regular planned breaks or short term transitional accommodation.

Our amazing house has been designed as a luxury escape, a place to relax and enjoy the peaceful surrounds. You can chose to stay home and chill or attend different activities, such as: dining out; going to the movies; bowling; or having a massage. Whatever you chose we want you to enjoy the experience and our team will ensure we tailor a package to meet your needs.

Location

The PAHS Community House is located on just under an acre in the southern suburbs. With lots of open space, beautiful grounds and small animals to interact with, it is the perfect home for guests to enjoy.

We operate 24 hours a day, seven days a week and are open all year round upon request. We offer active and passive night support.

What we offer

We are only limited by our imagination, you can chose a more structured program aiming to promote life skills, independence and resilience, or chose to:

- Hang out, feed and cuddle our animals
- Create a piece of art to take home
- Use our swings and sensory equipment
- Walk in our sensory garden
- Practice your cooking skills
- Go on a picnic
- Have a movie and popcorn night
- Play video games
- Have a pamper day
- Make a herb garden to take home
- Rock and egg painting

What's included

- Your own luxury large private room and ensuite
- All meals and snacks provided
- Access to our sensory and play equipment
- An experienced & friendly mentor
- A fully equipped kitchen and laundry
- Use of an iPad, Xbox, Netflix's and multiple movies

STA is funded through your NDIS core budget and is inclusive of all costs.
